COMPLIANCE WITH STATE LAW
AUTHORIZATION TO TRANSACT BUSINESS IN THE COMMONWEALTH

I. **CERTIFICATION.**

A. The Offeror/Vendor (Please fill in with your enterprise's complete name)

_____ certifies that it is organized or
authorized to transact business in the Commonwealth pursuant to Title 13.1 or
Title 50.

The identification number issued to Offeror/Vender by the State Corporation
Commission: _____

B. Offeror/Vendor that is not required to be authorized to transact business in
the Commonwealth as a foreign business entity under Title 13.1 or Title 50 or as
otherwise required by law shall describe why it is not required to be so
authorized:

II. **INSTRUCTIONS.**

a. The Offeror/Vendor shall provide immediate written notice to the
Contracting Officer if, at any time prior to contract award, the Vendor learns that
its certification was erroneous when submitted or has become erroneous by
reason of changed circumstances.

b. A certification that any of the items in paragraph (a) of this provision exists
will not necessarily result in withholding of an award under this solicitation.
However, the certification will be considered in connection with a determination of
the Offeror's/Vendor's responsibility. Failure of the Offeror/Vendor to furnish a
certification or provide such additional information as requested by the
appropriate City purchasing official may render the Offeror/Vendor non-
responsible.

c. Nothing contained in the foregoing shall be construed to require
establishment of a system of records in order to render, in good faith, the
certification required by paragraph (a) of this provision. The knowledge and

information of an Offeror/Vendor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

d. The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror/Vendor knowingly rendered an erroneous certification, in addition to other remedies available to the City, the appropriate City purchasing official may terminate the contract resulting from this solicitation for default.
